

SYMBOL

The symbol consists of a rectangular box labeled 'T-3A' with a smaller rectangle below it. A vertical line passes through the center of the box. To the left of the box, the number '2' is on a horizontal line, and to the right, the number '2' is on another horizontal line. Below the box, the number '1' is on a horizontal line, and to the right, the number '1' is on another horizontal line. A solid dot is on the vertical line between the '1' and '2' lines. To the right of the vertical line, there is a vertical bar with two small black squares at the top and bottom, representing a normally closed contact. Below the symbol is the letter 'G'.
